MANY ITEMS BEFORE CITY COUNCIL TUESDAY

Summer burning policy within the city limits will be set by city council Tuesday evening at their regular meeting in the council chambers at the city offices.

Burning has been permitted in past years during Summer months, provided the persons desiring to burn leaves or rubbish secure a permit from the fire department.

FOR THE PAST two years burning of any type has been prohibited from October 1 to June 1 during the Summer season.

The ban was instituted by council to keep the desert air as clear as its fame.

Other items to be discussed by council include:

Summer operation of parking meters, which establishes the zones where meters are needed, and eliminates enforcing those where past experience has shown facilities are plentiful.

HEARING AN INVITATION from the League of California Cities, Citrus Belt Division, to attend its regular meeting at San Bernardino on Friday evening, May 21.

Conducting of a public hearing, prior to adoption of the proposed new Plumbing Code Ordinance, which had its introduction in April. A public hearing is required by law when a state code is adopted as an ordinance by reference.

Conducting public hearings on revocation of three sales tax permits, which are delinquent.

CANDIDATES INVITED TO JC POLITICAL RALLY

Palm Springs Junior Chamber of Commerce will sponsor a Political Education Rally at the Plaza theater on the night of May 25. J. D. Hadlock of the Jaycee, announced Saturday.

The purpose of the program is to acquaint voters of the desert area with candidates for the various elective offices at stake in the June 8 primary and to make available to candidates an audience of voters at one time.

The program will also include advice on absentee ballots.

Each candidate will be allowed five minutes to talk about himself and five minutes to answer questions. If the personal talk exceeds the five minutes it will be taken from the answer period.

Candidates who are unable to attend have been invited to send representatives to the meeting.

The program is sponsored by the Junior Chamber in line with its Civic Government projects.

Special Chi Chi Program to Introduce Mickey Finn

Mickey Finn, the ex-Los Angeles Irish cop, who resigned his smog-draped beat in that city for the cedar and pine-laden atmosphere in the Mt. San Jacinto mountains, will be formally introduced to residents of the Village, May 27.

The introduction, which will take place from the stage of the Starlite Room of the Chi Chi, will see Mickey Finn displaying another facet of his make-up in addition to the rehabilitation of underprivileged boys for which he is noted—that of entertainer.

THE ENTIRE NIGHT of fun, frolic and stardom entertainment will be dedicated to Mickey Finn's new Boys' Ranch located on the Palms-to-Pines highway.

And the gimmick, which without a doubt will bring out persons interested in rehabilitation of boys will be the unique cover charge.

This cover charge, which will gain admission for those wishing to attend, will amount to two cans of food—just any kind of food, a growing boy likes — per person.

IRWIN SCHUMAN, owner of the Chi Chi and Lou Mawby, manager, announced that a truck would be stationed at the entrance of the night club where the cans of food will be deposited. Once that is done the truck attendant will hand that person an admission ticket to the Starlite Room.

In addition to guitar playing and singing of Mickey Finn for which he is widely known, Mawby announces that a stellar show and a special menu of the quality for which Chi Chi is noted, but priced to attract.

SOUND APPEAL FOR BLOOD DONATIONS

Palm Springs Business Women's club this week issued an appeal for blood donors to aid a local leukemia victim who needs two pints of blood weekly.

A special appeal was made to Villagers to donate blood and make their donations in the name of the Business Women's club.

Attention was called to the forthcoming visit of the Two-County Blood Bank to Desert hospital with a special plea for donations for the Business Women's club.

Stormy Debates Mark School Board Meeting

C. of C. Board Studies Plans for 1954-55

Budget for Vastly Expanded Program Being Considered

Chamber of Commerce officials this week are completing work on the final breakdown of the proposed contract which will be presented to the city of Palm Springs for approval.

Directors devoted their entire session Thursday to discussing the Chamber's total budget, and to planning of the program for the next fiscal year.

THE PROGRAM will be further reaching than in the past, President Harry Paisley reports, and this will require an expanded budget.

Amount of the budget has yet to be announced, but Paisley said that additional sums will be needed from both the membership and through the city contract.

To augment the membership increase needed, Culver Parker has been retained by the board to contact prospective new members, and also to complete the collection of dues from present members.

"WE ARE SURE that the majority of Villagers will heartily endorse our planned program for 1954-55," Paisley said.

"It is the most ambitious ever attempted here, and is sure to result in added publicity and promotion, and thereby a substantial increase in tourists."

Don't Forget Apply for Absentee Ballots if Leaving

Villagers planning to be away from their residences on June 8 were reminded today to be sure to apply for absentee ballots for the important primary election that day.

The applications must be signed by voters as they signed their registration affidavits. Their home address and precinct number must be given on the application.

Applications must be sent to County Clerk G. A. Pequegnat's office at the courthouse in Riverside. They cannot be obtained at the local city hall.

Two Seeking Position on School Board

Voters of Palm Springs Unified School district will go to three polling places Friday to elect a member of the board of trustees of the local schools.

Names of two candidates will appear on the ballot—that of Ray Sorum, incumbent, and that of Wilbur Lee Brubaker of Rancho Mirage.

Polling places for the election are:

No. 1—Frances S. Stevens school, for all of the city's 15 voting precincts and Thousand Palms precinct.

No. 2—Desert Hot Springs school, for Desert Hot Springs and Garnet precincts.

No. 3—Cathedral City school, for Cathedral City precincts, Indian Wells, Date and Cahuilla precincts.

Polls will be open from 7 a.m. to 7 p.m.

Rabbi Lebowitz Resigns Position at Temple Isaiah

Rabbi Arthur B. Lebowitz, spiritual leader for the past three years of the Jewish Community Center, last week announced his resignation, effective immediately.

He said his plans for the future are at present indefinite.

"I have the highest praise for Palm Springs and this entire desert area," he said. "I have learned to enjoy the climate, the spirit of friendship and the informality so widely prevalent."

During his three years at Temple Isaiah of the Jewish Community Center he has been active in civic and cultural activities and won the friendship of people of all religions and races.

He was an active member of the Palm Springs Kiwanis club and when his resignation was announced last Tuesday, the club adopted the following resolution of regret:

"WHEREAS, our member RABBI ARTHUR B. LEBOWITZ has resigned his pulpit in Temple Isaiah and will shortly leave the City of Palm Springs, and

"WHEREAS, he will thereafter cease to be a member of this club, by the unanimous

Threat of a board member to resign, two petitions bearing about 250 names, more than 150 interested persons in attendance, a verbal clash between a board member and a principal of a local school, and a discovery that the announced rezoning of school attendance zones has to be dropped because board action was never recorded in the official minutes.

These were the highlights of the regular meeting of the board of trustees, Palm Springs Unified School District, held Thursday evening in the auditorium of the Frances Stevens school.

An unfortunate incident, bringing into one of the controversies the name of a student who was suspended and the incidents surrounding it, also took up a large portion of the five-hour meeting, and drew the displeasure of the record crowd.

\$400 Straight Salary Hikes for Teachers

Contracts of certificated teachers in the Palm Springs Unified School District were renewed by the board of trustees Thursday evening, under the new salary schedule which applies a straight \$400 increase for all classifications.

The increase was adopted previously, as was a straight five percent raise for all non-certificated personnel of the district.

TOTAL COST of the two increases is \$43,976.92, with \$36,850 allotted to certificated personnel, and \$7,126.92 to other employees. An additional \$18,000 will be needed for four new teachers.

Comparisons between the total salaries this school term and the 1954-55 school year are: Certificated personnel \$415,100 and \$451,950; non-certificated personnel \$137,313.72 and \$145,440.64.

IN ADDITION, a thirteenth step in the salary schedule was added for the four classes of certificated personnel, which made possible increases of an additional \$150 for 37 teachers.

The raises are not expected to result in an increase in the tax rate, according to Dr. Arthur G. Hoff, schools superintendent, who said that it could be absorbed by the expected raise in valuation of the district.

An added feature of the bid opening was the charge by several other dealers that the specifications had been drawn by District Business Manager Paul Summers to limit bidding to only one dealer.

Of eight bids received, seven were ruled non-conforming by the county counsel—leaving the one bid which had not been accompanied by the bid bond.

SUMMERS SAID that the specifications were according to what was wanted for the district, and that any dealer interested could make modifications to comply. He added that the district had the right to request features which had proven satisfactory in the past, even though it might restrict the bidding.

A proposal was made by Board Member Ray Sorum to have the board inspect all bid

THE ANNUAL BUDGET hearing is held during August, with the preliminary budget prepared for submission to the county superintendent's office prior to July 1.

This increase was considerably more than the one granted last year, which averaged out about \$200.

Dr. Hoff said that it was necessary to grant the increase in order that Palm Springs move back into the upper 25

Business Women's Club to Campaign for Wider Bridge

Palm Springs Business Women's club at their recent meeting voted to take a hand in the campaign to have the narrow, dangerous bridge on South Palm Canyon drive widened.

A letter has been dispatched to State Highway Commissioner James Guthrie asking that serious early consideration to the need for a safer, wider bridge be given.

A copy of the letter was sent to City Manager R. W. Peterson.

The many recent accidents and near-accidents and the hazard to pedestrians or bicyclists on the bridge when automobiles are crossing at the same time, were cited in their letter.

They asked that either the present bridge be widened or that it be made a one-way

bridge with a companion bridge built adjacent to it for opposite traffic.

SOUTHLAND OPEN SET FOR TAMARISK

Additional recognition was given Palm Springs as a leading golf center of the nation with announcement Friday that Tamarisk Country Club had been chosen as the site for the PGA Southern California Open Championship in October.

It will be the first time the tournament will be held in this area.

Details may be found today on the sport page, page 7.

Site Selected for Patton Memorial on Nearby Desert

Homer Varner, supervisor for the fourth district which includes the desert area, said Friday that a site had been selected for the Gen. George Patton memorial on the desert east of Palm Springs.

The subcommittee of the George Patton Memorial Commission, which includes Earl Coffman of Palm Springs, has chosen a ten-acre site north of the junction of Highway 60 and the Box Canyon road, he said.

The land is now owned by the state division of highways and officials have indicated a willingness to recommend an inexpensive site, Varner said.

THE LAND is less than a mile south of where Gen. Patton maintained his headquarters while training troops on the desert for the war in North Africa.

The site is about 50 miles east of Palm Springs. Varner said that Walter Pittman, chairman of the subcommittee of the commission has reported that the Metropolitan Water District directors have voted to supply water to the site at cost.

THE COMMISSION, of which Varner is chairman, will meet at 7:30 p.m. today to decide on the site and to complete other preliminary plans.

Representatives of the state division of highways and parks will attend the meeting. Inclusion of the Patton Memorial in the state park system is proposed.

Also on tonight's program will be a discussion of the form the monument will take. Several designs have already been submitted.

Gen. Patton trained hundreds of thousands of troops in the area around the proposed monument. During the training days, Palm Springs was filled with soldiers, on leave, from the training site.

Sun-Air Owner Says Anti-Trust Laws Violated

Sun-Air Drive-in theater announced last week that it is continuing its active opposition to exhibiting first run pictures at the same time or later than Telemeter.

Bill Bronstein cancelled out the contract with Paramount for "Red-Headed Woman" because the film company insisted on a simultaneous showing on Telemeter. Bronstein, through his attorney, Herbert S. Nussbaum of Beverly Hills, earlier this year requested the Department of Justice, Anti-Trust Division to investigate this practice, charging that it violated anti-trust laws.

It is contended that Paramount, which has a substantial interest in Telemeter, is in effect active in exhibition of pictures in violation of divorce and consent decree regulations. "This," Nussbaum said, "is the very thing that the government fought for over 10 years to prevent in the distribution of motion pictures—the very thing for which divorce and consent decree regulations were enacted."

Twelve Leading Villagers Sign Varner Endorsement

Twelve of the most prominent names in Palm Springs appeared today on a letter endorsing the campaign for reelection of Supervisor Homer Varner of Indio at the June 8 primary.

This letter of endorsement read: "We join with your other constituents in offering our congratulations for the outstanding achievements of your term on the board of supervisors. We are pleased that you have agreed to accept the responsibilities of another term and offer you our continued support." The twelve Palm Springs signers of the letter of endorsement were Mayor Florian Boyd; Earl Coffman, co-owner of the world-famed Desert Inn; Roy W. Colegate, former Palm Springs city attorney; John A. Connors, extensive property owner; Lawrence Crossley, trailer park developer; Harold J. Hicks, president of the Palm Springs Water company; F. Thomas Kieley, assistant manager of the Desert Inn; City Councilman Frank Miller; Culver Nichols, former president of the Palm Springs Realty Board; Herbert Samson, manager of the Palm Springs office of the Citizens' National Trust and Savings bank of Riverside; Raymond Sorum, long-time desert contractor, and Warren E. Slaughter, former Riverside county deputy district attorney and former president of the Palm Springs Republican Assembly.

It also bore the names of Mrs. Catharine Woodworth of Banning, a member of the Republican County Central committee, and W. R. Hillery of Cathedral City, chairman of the Zone Six of the Riverside County Flood Control Board. Varner said today, "I am proud indeed of this letter of endorsement, which was not solicited in any way. Similar encouragement has come to me from all parts of the fourth district. I want every fourth district voter to know that I consider it a duty as well as a privilege to seek re-election."

Ask Supervisors to Delay Action on Zoning Program

County board of supervisors will be requested June 3 to defer until Fall action on the proposed county zoning plans for the area between the Palm Springs easterly city limits and Rancho Mirage.

This request, along with two other resolutions, was adopted by the 75 persons present at a discussion meeting concerning the zoning, sponsored by the Miracle Mile Association last week in the Cathedral City Library.

THE GROUP also called for the supervisors to refer the matter back to the county planning commission for further study, and to hold any public hearings in this area. In the event the ordinance is passed, it was requested that it be required that the planning commission notify neighboring property owners of all variance requests.

Tyler Guess, county planning director, prior to this action, explained the proposed zoning in detail.

SUPERVISOR Homer Varner pledged his aid to the group in

presenting the resolution to the county supervisors, and in securing the postponement of action until Fall.

Among those present and presenting their views were Palm Springs City Manager R. W. Peterson and Planning Director W. G. Roeseler, Mrs. Austin McManus, Raymond Cree and Culver Nichols.

August G. Kettmann, president of the Miracle Mile Association, presided at the three-hour session.

Youths Arrested for Theater Raid

Two youths, 17 and 18 years of age, were arrested Thursday by Sheriff's Deputies Ray Youngberg and Paul Lewis on charges of stealing two speakers from the Sunair Drive-in theater Wednesday evening.

Local police aided in their apprehension, with Sgt. Bill Lux spotting the car used by the suspects parked on Palm Canyon drive Thursday morning. A check of the car by the Sheriff's deputies located one of the speakers.

Arrest was made shortly after noon Thursday. One youth is from Banning and the other from Palm Springs.

The 17-year-old boy was certified to juvenile hall when appearing before Judge Eugene Therleau in justice court Friday. The 18-year-old was fined \$100 and sentenced to 20 days in jail, both suspended, provided he make restitution. He also was placed on one year's probation.

The youths were accompanied by three other boys during the theft, but when arrested cleared the others of any implication.

It is planned to continue each Saturday until all rubbish left by former residents of the Reservation is removed. This was the second Saturday, with 12 loads having been removed the first time.

FACTS You Should Know About the Palm Springs Home Owners League, Inc.

1. What is the Palm Springs Home Owners League?

The League is an aggressive, non-partisan, non-sectarian, fact finding organization, supported by home owners of Palm Springs. Its officers, directors and members are working to arouse citizens' interest in community affairs and to achieve integrity, efficient administration and economy in local government and to work with other civic groups so that Palm Springs will be a better place in which to live and that residential zones are protected.

2. Who are the Members?

People in all walks of life. Membership is open to every home owner who desires closer contact with his local public officials, more facts about his local government, and continuous improvement of our city.

3. How does the League function?

The elected Board of Directors directs League policy and program. Committees of members are appointed to interest themselves and investigate activities in local government or in any matter where home owner's interests may be involved.

4. How is the League financed?

It's budget is derived from individual membership of \$12.00 per year. The League's financial policy is: "A little money from a lot of people", rather than a lot of money from a few.

5. What tangible results can the League secure?

By offering constructive criticism after reviewing the facts we feel we can secure a better Palm Springs, with (a) better police protection, (b) better fire protection, (c) better streets and highways, (d) better recreational facilities, (e) better civic planning, (f) a fairer share of available county, state and federal funds, (g) study of assessed valuations in Palm Springs and (h) reduction of real estate taxes.

Our City cannot rest on its past or present laurels; we must at all times strive toward a better Palm Springs.

We invite every home owner to join. Mail in your request for membership to Arnold Rumwell, Secretary, Oasis Building, 121 South Palm Canyon Drive, Palm Springs. Dues only \$12.00 per year — all for a better Palm Springs.

Auxiliary Prepares for Poppy Day

Poppies in profusion will brighten the Auxiliary room of World War Memorial building, tomorrow night, as the women of Owen Coffman Unit No. 519, American Legion Auxiliary, prepare for the annual observance of Poppy Day, Friday, May 28.

The Auxiliary's Poppy committee, headed by Mrs. Violet Knupp, will have the 2000 little red memorial flowers, received from Long Beach Veterans Administration hospital, unpacked and ready for Unit members to open the petals in preparation for distribution on Poppy Day.

The disabled men have been at work throughout the winter and spring, with material supplied and earnings paid by the American Legion Auxiliary, Mrs. Knupp explained. For many of the veterans who have spent long periods in the hospitals, the work gives the encouraging experience of being able to earn money once again. The poppy making gives them something interesting to do and is considered valuable as occupational therapy. All contributions made by those wearing the little red crepe paper flower of memory go into the Auxiliary rehabilitation, child welfare, and education fund.

During the business session of Tuesday's meeting starting at 8 p.m., Unit President Marian Lienau, will preside. Annual reports will be given by officers and committee chairmen. Nominations and election of officers for the year 1954-55 will take place, also nominations for delegates and alternates to the department convention to be held in San Francisco in July, is slated for this meeting. Election is scheduled at the June 1 meeting, when installation of officers takes place.

The hospitality committee, with Mrs. Jennie Leonosio as chairman, will be in charge of the refreshment and social hour.

King-Becker Wedding Vows Exchanged at Afternoon Ceremony

Saturday's marriage of Miss Carylyn Becker and John M. King and the wedding reception which followed at the palatial Palos Verdes home of the bride's parents, Mr. and Mrs. Charles Everett Becker, was the social highlight of the waning Winter season. Over 125 socially prominent guests were in attendance.

Exchanging their vows before the flower-laden altar of Our Lady of Solitude Catholic Church in a late afternoon wedding, they were married by Monseigneur John Power, pastor of the church.

The charming bride wore a white mouseline de soie bandage with Chantilly lace over blue taffeta and a matching bonnet of Chantilly lace. The gown was floor-length and short-sleeved, and its boat neckline was trimmed with tiny pearls and iridescent sequins. She carried a bridal bouquet of white orchids and Stephanotis.

Mrs. Charles R. Baker of Riverside, the former Marilyn Becker, was matron of honor for her twin sister, and William C. Lust of Tyler, Texas, cousin of the bridegroom, acted as best man.

Attired in permanently-pleated pale blue organza gowns and carrying all-white bouquets were the bridesmaids, Mrs. Jacqueline Becker Cole of Palm Springs, and Mrs. George Bunn of Springfield, Illinois. Ushers were Charles Baker, Piero C. Johnson of Chicago, and Richard Carlson of Wheaton, Illinois.

Charles Jeffrey, three-and-a-half-year-old son of the Charles Bakers, was ringbearer. He wore a white suit.

Larry Sitter played the wedding music on the church organ.

The bride is a graduate of Hockaday School in Dallas, and attended Pine Manor Junior College at Wellesley, Massachusetts and Northwestern University at Evanston. She was affiliated with Kappa Alpha Theta sorority.

Her father is president of Franklin Life Insurance company of Springfield, Illinois.

Miss Nelson is Bride of Dick Clarke

In a small informal wedding at St. Paul's in the Desert Saturday morning, Miss Sylvia Ann Nelson, daughter of the Conrad Nelsons of Cathedral City, became the bride of Richard M. Clarke, son of Mrs. Verma Clark of Palm Springs, and Mr. George Clarke of Seattle. With only the immediate family in attendance, the young couple exchanged their vows before Rev. William Blondon.

The bride wore a full-skirted white eyelet dress with a sweetheart neckline and a small flower-trimmed white hat. Her bouquet was a single white orchid surrounded by sweet-peas.

Stuart Clarke attended his brother as best man and Mrs. Conrad Nelson Jr., was the bride's attendant.

Both young people are graduates of Palm Springs high school. She has been employed by the Bank of America and he is stationed at George Air Force Base in Victorville.

George Clarke flew down from Seattle for his son's wedding and Sylvia's brother Ronald, a student at UCLA, was in the wedding party.

Following the ceremony the wedding party went to Town and Country restaurant for luncheon and a reception. Punch and wedding cake were served, with Mrs. Henry Cherry presiding.

The newlyweds left on a honeymoon trip to Idyllwild and other places, but the relatives and close friends here for the wedding were entertained at dinner Saturday night at the Nelson home.

The Beckers spend about seven months of the year in their Palm Springs residence, with Mr. Becker commuting back and forth to his business office several times during the Winter season.

One of the youngest of the Illinois state legislators, the bridegroom is also president of that state's Junior Chamber of Commerce. He was a student at Washington University and at Northwestern. He is the son of Mr. and Mrs. John E. King of Wheaton, Illinois.

Following the marriage rites, the reception was held at the Becker home, with the wedding party receiving in the living room. The bride's mother, Mrs. Becker, wore a pale beige hand-knit gown and a flowered beige hat. Her flowers were brown orchids. Mrs. King, mother of the bridegroom, was gowned in an ashen of roses lace dress with matching hat and a corsage of cymbidiums.

All white flowers decorated the table in the dining room, where the three-tiered spun sugar cake was cut and served with champagne. Another table, set up in the garden, was laden with a collation that included chicken salad and finger sandwiches.

The young couple left on a honeymoon trip to San Francisco. They will make their home in Glen Ellyn, Illinois, a suburb of Chicago.

Tea and Open House Mark National Hospital Day

First annual Open House on National Hospital Day at Desert hospital Wednesday was very successful. Administrator Robert Henwood reported.

A large number of people visited the hospital, were shown its facilities, and then enjoyed refreshments.

Henwood conducted the tour through the hospital, showing visitors the central supply department, surgery facilities, obstetrical room, laboratory, X-ray and kitchen departments,

and new equipment recently donated to the hospital.

They then were escorted to the staff dining room, where Mrs. Kenneth B. Kirk, Mrs. Henry S. Reid and Mrs. O. A. Torgerson were hostesses at the attractive refreshment table.

Plans were announced by Henwood for holding two Open Houses next year, one during the Winter or early Spring when a larger number of residents and visitors are here, and the other on National Hospital Day May 12, 1955.

P. S. GOES TO CHICAGO — California went to Chicago when "Mr. and Mrs. Palm Springs"—the Charles Farrells—owners of the Racquet Club were feted at a buffet supper dance by the James A. Harts, the Frank Berings and the Eugene E.

Barretts in the Ambassador East hotel. Society and show folks and Racquet Club regulars were celebrants. Among the guests was Mrs. William Powell glimpsed enjoying a chat with host James A. Hart, left, and guest of honor, Charles Farrell, right.

Farrells Feted Royally on Their Visit to Chicago

When Virginia and Charlie Farrell, owner of the Racquet Club, journeyed to the Windy City of Chicago recently for the ordination of her nephew, James Sweeney, as a Roman Catholic priest, they found that Palm Springs' familiar faces were to be seen in numbers a thousand miles East.

An occasion which reunited the Farrells and a host of Racquet Club regulars, who make Palm Springs more palmy, was the large and lively party which President Jimmie Hart of the Ambassador Hotel, along with Mrs. Hart, the Frank Berings and the Gene Barretts hosted in their honor.

Betty and Jimmy Hart, who Winter in Palm Springs, had decorated the Ambassador East's handsome East Lounge and Sarah Siddons Walk for the supper dance right down to centerpieces of crossed tennis rackets containing flowers. The Berings—he is chairman of the board of the Ambassadors—who are also Palm Springs regulars, were glimpsed greeting friends among the several hundred celebrants who gathered at the gay soiree. Even the oversized cake carried out the evening's Racquet Club feeling—it was shaped long and low like a tennis court and sported its own miniature net and tennis players.

Sophie Tucker was on hand to greet the Farrells—as were the Walter Sleazaks (he is receiving big Bravos for his "My Three Angels" currently playing in Chicago), Louise King, the Ralph Kiners, dapper Donald Bowey, Leon and Carola Mandel, Mrs. Loyal Davis, whose daughter, Nancy, and son-in-law, Ronald Reagan, had been spending the week with her, Mrs. William "Mouse" Fisher.

Powell, the Leigh Blocks, Raymond Loewy, who had left his elegant manse in Palm Springs to fly to Chicago on a business trip—and the party—the Fred Friedlobbs (she was June Travis of the movies), Dr. and Mrs. Mace Gazda, and Mrs. Edward J. Kelly, another who owns a beautiful home in Palm Springs, to name a few.

Supplying music for the high stepping was a popular Lou Breeze, who hadn't see Farrell since they shared a Model T and musical ambitions 30 years ago in Boston. Jimmy Hart, one of America's Ten Best Dressed Men (Raymond Loewy has that honor, too), put a sartorial exclamation on the party with his matching tie and waistcoat of ribbon knit in three shades of grey.

Story of Chase School Told at Lions Meeting

Col. E. T. Fisher of Chase School near Thousand Palms gave Palm Springs Lions a graphic picture of the school's program, illustrating his discussion with motion pictures of activities, Thursday noon at the Chi Chi.

He emphasized the fact that the school's program is not devoted to just the presentation of the three R's but strives to teach the boys good citizenship and the part they must play in the future to keep America great.

The motion pictures showed the activities of the boys outside of the classroom, their outdoor programs of riding, hiking, artistry in sculpturing pictures in the sand dunes adjacent to the school and many other projects.

Leo Baker was chairman for the day. It was President Harold West's final meeting and reports from Secretary Kenneth Brott, Treasurer Merritt Williams and Blind Aid Chairman Charles Henderson were heard. Five new members were inducted into the club. They were Ward Risvold, Meredith Helm, Harold Scrivner, William Lux, and William Morrison.

There will be no meeting of the club next Thursday noon.

Jaycees Install at Annual Ball

Applause and congratulations marked the second annual Oleander Ball and installation of Palm Springs Junior Chamber of Commerce Thursday night at the Doll House as new officers were installed and top awards of the year announced.

Vice President of District 9, Don Miller of Redlands acted as installing officer, installing Stan Lewis as president; Don Miller, first vice president (internal affairs); Warren Strebe, second vice president (external affairs); Herb Esbitt, secretary; and Jerry Bunker, treasurer. Also introduced were the board of directors, John Miller, Bill Foster, Don Wexler, Don McCullough, Joe Elcher and Fred Hillstrand.

Key Man Award, awarded to the outstanding J.C. of the year, went to Bill Foster, a past president and chairman of the recently held state convention. The award was announced by Mel Ambler, last year's winner of the same honor, who also presented awards for fine work to Bill Anderson, Bill Ford, Don McCullough, John Miller, Warren Strebe, and Fred Weigel.

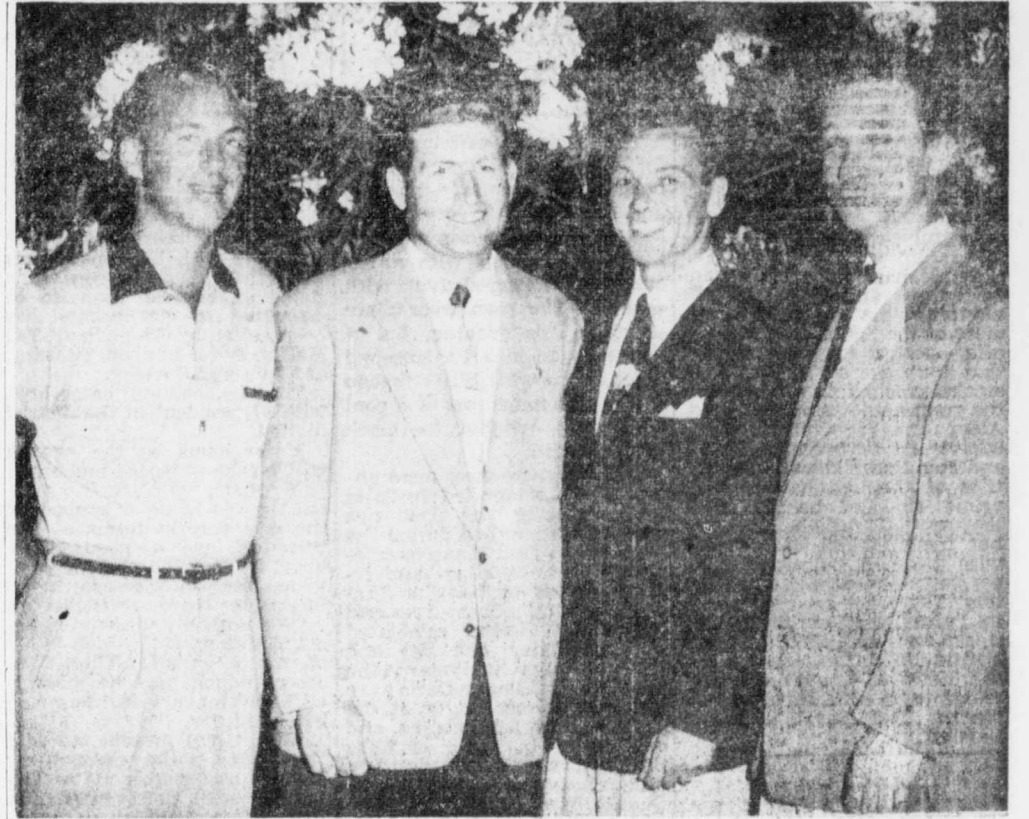

Life Membership plaques were presented to Dr. Robert Backstrom, Ed Hawkins, Warren Strebe, Bill Foster, Sal Alessandro, and Ted McKinney, all past presidents, by Dr. Charles Johnson of Riverside, past state president.

Leadership training awards went to Bill Anderson, Mel Bren, Joe Woods, Herb Esbitt, and Maurice Smith, relatively new members who have participated so actively in J.C. work. Frank Gilbert, past state vice president, spoke on the leadership training program and its importance to Junior Chamber work, before Don Miller of Palm Springs, announced these awards.

Jim Hadlock, outgoing president, presented Stan Lewis with his gavel and in turn was presented with a ruby-studded gold pin in recognition of his fine work during the past year.

Honored guests of the evening included Homer Varner, county supervisor, who spoke a few words, and City Manager Pete Peterson and wife. Also present was Reg Schisler of Indio, originator of the oleander theme for this dinner and a past president of Hollywood J.C.

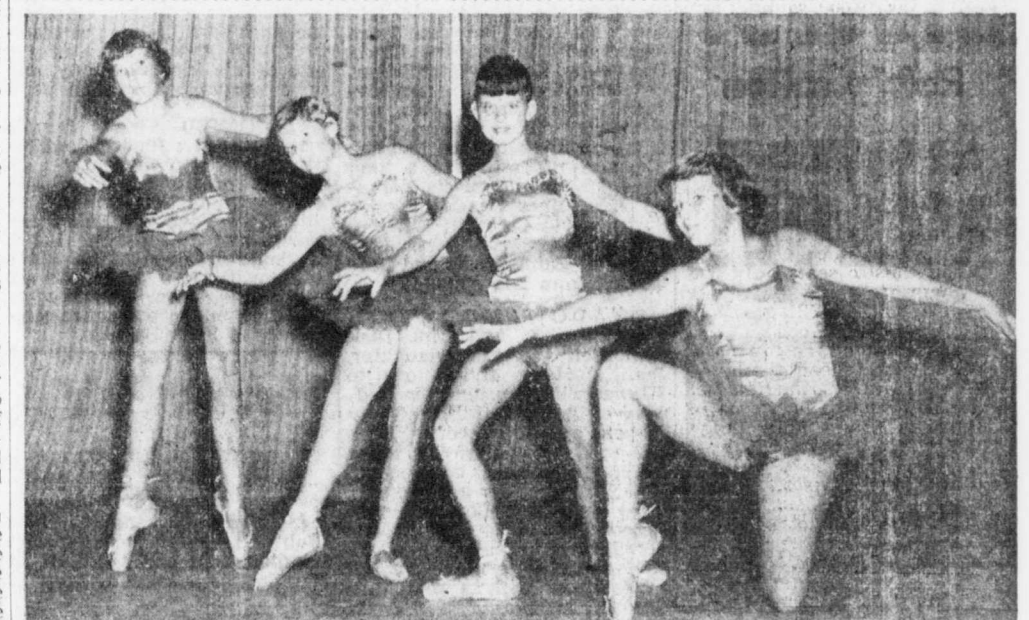

On the patio, encircled with snowy white oleanders, more than fifty people enjoyed the delicious spaghetti and Chinese dinners arranged by George Strebe, a life member of the Junior Chamber. Jim Hadlock was in charge of program, and Warren Strebe and Bill Ford took care of decorations for the evening.

Palm Desert Sunbeams

By EDITH EDDY WARD

As Summer approaches on the desert each year, I feel more and more sorry for the tourists who haven't yet awakened to the fact that some of the most beautiful weather is to be enjoyed during this season. For example, the evenings here are as balmy and delightful as anything the so-called paradises of the South Seas have to offer—perfect for dragging out that barbecue set and cooking steaks, chicken or spareribs in the great outdoors of the desert. Alden and Flo Coffin are the experts on barbecued chicken, and Tom Brown should have the title of the best barbecuer of prime rib and hamburgers—they are not really hamburgers, but fresh ground round steak with one-half pound of meat per patty and cooked to perfection! There are several experts in Palm Desert on barbecued steaks and lamb chops and it is a little difficult to pick the best one. However, in our opinion, it seems to be a tie between Pete Pierson, Hal Davis, and Jim Harstad.

The accepted evening dress for informal outdoor parties during the summer are shorts and bathing suits; some of the ladies' evening shorts are very fancy—pink linen with rhinestones and flowered chintz with sequins! The men wear plain shorts in the evening, but it might be an idea for someone to come up with black tuxedo shorts and some sort of a cool white top—without the black tie, of course.

It seems there were more anniversaries celebrated in Palm Desert during the last two weeks than anytime during the season. The Fred Johnsons celebrated their wedding anniversary and his birthday at Shadow Mountain Club; Pete and Dorothy Pierson celebrated Pete's birthday one day and their wedding anniversary the next; Hal and Peggy Davis gave a lovely dinner party at the Club—with champagne. Palm everything—in honor of Hal's birthday, the Davis' wedding anniversary and Hal's friend, Chuck Byers, birthday. Then last week, June Crocker, Leif Erickson and Eunice Bower all had birthdays. Hope no one asks me just what day who celebrated what because, at this point, am so confused the answer would probably be that June Crocker celebrated the Pierson's wedding anniversary and the Davis' celebrated June's birthday, etc., etc.

J. Nelson Kelly of Stamford, Connecticut, hosted a small but lovely dinner party last Sunday at the new Taco Inn Cafe located on the Vandermade ranch halfway between Palm Desert and Indio. Mrs. Eloria Duarte and her daughter Esther, cooked and served the most delicious homemade tacos, enchiladas, chile rellanos and frijoles that we have had the pleasure of eating in a long time. Mr. Kelly's guests included Mrs. Mace Gazda of Palm Springs and Chicago; Hal and Peggy Davis; and Mrs. Jack Smith of Palm Desert and Dale Russell from Los Angeles.

SHADOW MOUNTAIN ECHOES: Mr. and Mrs. Dick Hanousek and their daughter, Jean, made a flying trip to Minneapolis to attend the wedding of their son, Bill, to Gladys Olmen of Minneapolis. Then Bill and his bride drove to Palm Desert on their honeymoon. Jean Hanousek gave a real surprise party for Lou Kuehner, Recreational Director of Shadow Mountain Club. The pastry chef at the Club made a large white cake with a miniature figure of a swimming pool complete with the slides representing the Club pool. Earlier in the day Lou had called his parents in Santa Monica and asked them to come down for his birthday. They told him they couldn't make it and then walked in when the party was going full swing about 10 p.m., thus climaxing Lou's surprise party with the best surprise of all!

From Page 1—MORE ABOUT TEACHERS

percent on a salary basis with all schools in the state.

THE AVERAGE INCREASE for teachers in the state last year was \$428, he said, and then added that it placed the Palm Springs district in a difficult position in acquiring new teachers as most applicants want \$300 to \$500 more per year as they anticipate living costs are more than in other areas.

The 1954-55 salary schedule follows (comparison with 1953-54 may be made by subtracting \$400):

Provisional emergency, five steps, \$3,600 to \$4,000; bachelor's degree, four years of training or general elementary credential, 13 steps, \$4,000 to \$5,900; bachelor's degree plus 24 semester hours and/or general elementary or general secondary credential, 13 steps, \$4,200 to \$6,100; master's degree or bachelor's degree plus 40 semester hours, 13 steps, \$4,400 to \$6,300; master's degree plus 30 semester hours, or bachelor's degree plus 70 semester hours, 13 steps, \$4,600 to \$6,500.

AN INTERESTING FEATURE of the 80 teachers listed in the schedule is that, as mentioned before, 37 are in the thirteenth step of the four accredited classification, plus two more in the fifth step of the emergency group.

Of the total, only five accredited teachers are below \$5,000, and 29 are in the lower half of the 13-step programs.

McKinney Calls on Constituents to Discuss Plans

First of a series of public meetings with his constituents in District One to confer on items of interest soon to be discussed by city council has been called by Councilman Ted McKinney for 12 noon, Tuesday, at Town and Country.

The luncheon will be no-host, with all residents of the district invited.

Major items on the agenda will be the proposed municipal golf course, which at the present time is being discussed by the city only in terms of site selection, and a reported request by the Chamber of Commerce for an increase in its budget for the next fiscal year.

"We probably will not reach a unanimous decision on either of these important items, or others which may be presented," McKinney said in issuing his invitation.

"But it will present me with the wishes of the voters in my district, and enable me to better represent them in council. I want opinions of all interested persons, whether they are for or against any proposal."

Hemet Fair

Thimble Club to Exhibit Work

Members of the Thimble Club will display their garment handicraft in the 4-H Fair at Hemet this weekend, May 22 and 23.

A preview of the garments was given last week at a Style Revue at the home of their leader, Mrs. Walter C. Bergquist, 528 Indian Trail.

Models included Joyce Andrews, Judith Cravy, Nancy Sutton, Gail Bergquist, Lois Bergquist, Barbara Graham and Suzanne Rockwell.

The patio setting was attractively decorated with philodendron and star fern, aiding in carrying out the 4-H color scheme of green and white.

Entertainment consisted of two solos by Carol White, accompanied by Gail Bergquist on the accordion, and a duet by Barbara and Carol White.

Refreshments were served by members following the program.

Assortment Gasoline, Pipes, Containers, in Loot

Total value of the articles taken was set at \$8.50.

specifications before submitted, but this fell by the wayside when other board members declined to support it. Mrs. Staley said that good men were hired to fill important jobs, and when they were deemed not able to fill them, another man should be found.

BIDS WERE ALSO rejected for a food truck; school bus repairs, and tire and tube needs, repairs and service, because bid bonds were not posted. One bid was accepted, for post replacements and beam tie corrections at Frances Stevens school, \$1,965, submitted by H. E. Minahan.

The petitioners and the speculators were interested in the same matters, with 178 requesting that Warren Linville, principal of Katherine Finchy school, be named principal of Nellie Coffman Junior high school, and 70 asking that two additional neighborhood schools be established similar to Cahulla school, kindergarten through sixth grade.

BEFORE ANY DISCUSSION, Mrs. Staley moved that all administrative personnel appointments be delayed until the May 18 meeting, as they had not been submitted to the board's personnel committee for consideration.

Several members of the audience disagreed with the 178 supporters of Linville, asking "what's wrong with the present principal, Seamus Nunan?" These persons, who explained that they were there on another matter, the neighborhood school proposal, included Mrs. Clarence Woodmansee, Louisa Clark, Frances Blonden and Culver Nichols.

IN REPLY, Mrs. Willard McKinney said that it was "nothing personal against Mr. Nunan's capabilities, but that we think Mr. Linville would do a better job."

Mrs. C. B. Self went further, saying that as a member of the school's P-TA grievance

Wetback Gives Up, Would Go Home

Not worth the effort! This was decided by a Mexican "wetback" Wednesday afternoon, and he decided to stop trying to remain in this country and return to Mexico.

He walked into Johnson's Cafe, 596 South Indian avenue, and asked them to call the police.

Border Patrol officers arrived later in the day to fulfill his desire to return across the border.

tion of the Cahulla school boundary change, which had been announced recently. Paul Traver asked for the reading of the official board action, and the vote of each member as recorded.

Board members Ray Sorum and Harris both said that it was not in the official minutes as submitted to board members, and after other discussion as to what happened at the meeting and failure of its inclusion in the minutes if official action was taken, Dr. Arthur G. Hoff, schools superintendent, said that "no action was taken, and we'll have to do it all over again." He added that the stenographer had failed to include the official motion when transcribing her notes, but Harris maintained that no action had been taken.

DR. STEPHENS promised the audience that everything possible will be done, and that further action taken will be publicized as much as possible. The matter will be settled though, he added, in "what we consider the most equitable manner to give children the best education possible."

Mrs. Staley said that "this board is so aware of your problems," and "we are working on them and will try to do what you want to do."

Shots Punctuate Flight of Two as Burglary Fails

An attempted break-in at Desertview Animal Clinic, 71-075 Highway 111 near Rancho Mirage, was stopped by caretaker Hiram Pierson Wednesday evening.

Pierson was awakened by the sound of the breaking of the glass front door, and as he turned on the light in his room the two would-be burglars rushed to their car and started to leave from the scene.

He then rushed outside and fired three shots at the car as it was leaving the circular driveway, and it is believed at least one of the shots struck the vehicle.

The incident occurred between 9:30 and 10 p.m., sheriff's deputies said.

KEYS FOUND Finding of two keys left in the offices of the California Water and Telephone company, 369 North Palm Canyon drive, was reported to police Thursday by Eudora Pace.

Name Tamarisk as Site of Southern California Open

PGA Designates Palm Springs Area for Big Annual Tournament to be Held in October

The importance of Palm Springs as the Winter golf capital was reemphasized last week with the announcement that Tamarisk Country club has been selected as the site for the Southern California Open Golf Championship in October.

Desert Rat Golf Tourney Dates Set for June 5, 6

Ted Cadman, managing director of Tamarisk Country club and Pat Martin, resident pro, Friday announced that Saturday and Sunday, June 5 and 6, would be the dates for the annual Desert Rat Tournament.

This will be the third year of this event which has proven to be extremely popular with the year-around residents of Palm Springs and vicinity.

The play will be a 36 hole medal at full established handicap. Entry fee for the two-day event will be \$5.00, and since many of the caddies have left for other courses, Summer play rules and caddie carts will be allowed. Both low gross and net prizes will be awarded.

"Everyone anywhere in the general area is invited to participate. Tamarisk Country club each year has held this tournament so that people who are not members of any local golf club might have a chance to play over this beautiful course," said Cadman.

More Games at Tamarisk Park

Shuffleboard and horseshoe equipment have been added to the recreational facilities at Tamarisk Park. City Recreation Director Howard Haddock announces.

Persons interested may use the facilities Monday through Friday, by contacting the gardener there. On weekends, the facilities will be open all day.

Teeing Off at Tamarisk

BY AVERY ALLEN

What with the Auto Dealers, Ramblers and J. Howard Edgerton tournaments we have been living in a topsy turvey world for the last week. Everybody seemed to have a good time with the flit and sterno keeping everybody shaking hands with strangers. Hope these great guys can get back another year.

Speaking of tournaments, it was my first time to see this Local Yokel Tourney put on. Something about old O'Donnell with its traditions and well mellowed friendships that's nice to see. Things seemed to have stood the test of time, and here indeed big and little men are all equal. Afraid I was like a country boy at my first circus since it was my first time out, but the kindness of Ernie and Larry et al made a great thing of it. John Wood put on a show with a hole in one, and his classic remark that with two more of them he'd have a good score was a dandy. Long John was the most even tempered boy I know—mad all the while. Calso Water all the way around on John. Since this is his fourth or fifth of the same it wasn't big news to him, but I got a thrill being just that close.

JACK BENNY looking wan weak from carrying his money around in town dropped down for a couple of days for a recharge. Rulan McQuarrie and his lovely bride, and Frank Mayo, all friends of Jack Sharpe's, whipped around the course and had a lot of nice things to say about it.

Next occasion on the docket is the Desert Rat classic June 5 and 6, which will just about wind up the Fall and Winter 53-54 job.

SOMETHING a little nostalgic.

Softball Plans to be Completed at Session Tonight

Final meeting of all managers of teams in the Desert Softball League before the season starts will be held at 8 p.m. tonight, Monday, in the Polo Grounds clubhouse.

Rules will be discussed and established for this year, according to Howard Haddock, city recreation director.

Practice schedule for this week follows:

Monday, Palm Springs Transfer and Storage, 7 p.m.; Desert Nite Hawks, 8:30 p.m.

Tuesday, Palm Springs Merchants, 7 p.m.; Junior Chamber of Commerce, 8:30 p.m.

Thursday, Mhoon and Mhoon, 7 p.m.; Mexican Colony, 8:30 p.m.

Friday, Desert Nite Hawks, 7 p.m.; Mexican Colony, 8:30 p.m.

gic about everybody getting ready to leave. The Dalton boys, Jessie James, Jouquin Murieta now reduced to hustling each other to make the get away bundle. The pigeon fanciers are now playing each other and it's really something now that their lofts are empty to see them playing each other. The walling wall is very busy these days. Everybody's trying to get away money—each according to his own talents and customs, and it's really great to see the show.

Some of our out-of-town guests this week were: Meade Hargiss, Seattle, Wash.; Frank G. Belcher, San Mateo, Calif.; H. H. Rhoads, Beverly Hills, Calif.; Mrs. Ray D. Bateman, San Gabriel, Calif.; G. F. Metzger, San Francisco, Calif.; M. J. Denn, Redondo Beach, Calif.; Dr. J. J. Phelan, Seattle, Wash.; Sydney William, Long Beach, Calif.; Marion Farmer, Pasadena, Calif.; Louie DiSalle, Toledo, Ohio; Mrs. J. R. Townsend, San Diego, Calif.; and Mr. and Mrs. J. Price Shuts Out Beaumont, 6-0, with Three Hits

Kenny Price, Palm Springs high school pitcher, racked up his second straight shut-out Thursday when he held Beaumont high to three hits and the Warriors tallied six times to win 5-0.

Only five hits and no runs have been scored off Price in the last 15 innings of league baseball he has pitched.

The victory put the Indians all alone in second place, one game behind Hemet which also won Thursday.

PRICE HELD the Beaumont batters helpless for the first three rounds without a hit and scattered the three they did get through the last four innings.

He also sparked a five-run rally in the second which stowed the game away. His was the only hit of the inning but Beaumont blew and committed five errors to give the Indians a 5-0 lead before the game was fairly well along.

In his pitching stint, Price walked four men but was in trouble only in the first and fourth.

THE FINAL INDIAN score came in the fourth when Judd

led off with a single and scored on Catcher Reyes' blow. Both sides erred frequently, 11 bables being chalked up in the seven innings, five by the Indians and six by Beaumont.

The line score:
Palm Springs... 050 100 0-6 4 5
Beaumont... 000 000 0-0 3 6

SUCCESSFUL CIRCUS — There have always been two objectives in staging the Desert Circus: to provide the community with an annual event for the entertainment of visitors and to assist local charities. At first the main purpose was to raise money. In later years the Desert Circus was expanded so much and so much money spent on the various events that there was little or nothing left for charity. Two years ago the affair went heavily into debt.

Last year the Desert Circus was returned to a sensible basis under the co-chairmanship of George Strebe and Milt Hicks. The people enjoyed and supported the Circus and it went back on the right side of the ledger. But there were many debts to pay and charity didn't benefit much.

Under the same leadership this year's Desert Circus was even more successful and the Circus association has just distributed \$13,500 among churches, charitable and youth agencies. A great deal of credit for putting the Circus back on its feet goes to George Strebe and Milt Hicks. Among the many who gave them a lot of help were Trav Rogers, Jimmy Cooper, Ray Ryan, Marvin Fritz, Harold West, Jim Welch, Hank Norman and Jim Morton. The community should be grateful to all of these men and the others who have helped put the Desert Circus back on its feet. A couple of years ago it looked like the big annual event was going to die by default; there wasn't going to be any more Desert Circus. Alarmed at the prospect, the Chamber of Commerce called a group of civic leaders together and Stewart Hopps was induced to take the chairmanship. An elaborate celebration was staged but participation was disappointing. The future looked even more discouraging. But the old-timers pitched in and decided to revive the Circus idea of earlier years. It worked out very well as evidenced by the last two years.

There will always be the question of whether the Circus should be held March or April. Those in charge think it was too late this year for needed support. Others feel that the later date helps to keep people here and lengthen the season. It must, of course, be a financial success to keep going. An earlier date may be almost a necessity. That's something to take into consideration when planning the events program for next year.

Failure of so many business establishments to sell or pay for ten dollars worth of tickets to the Circus events was disappointing to those in charge this year. They felt that this small amount from a lot of places which benefit from the Circus would make the event a big financial success. But the income from this source fell far short of the expected return. Anyway, it can again be said that the Desert Circus is staged for the benefit of charity. If present interest is sustained, the local organizations which get the benefits will share in even larger amounts.

The Desert Sun joins with others throughout the community in congratulating the men and women who staged the Desert Circus this year for a job well done.

This Side of the Sun

By Phat

They're running at Hollypark again, I wish I were a seer, so that I could prophecy just when they will be running here.

Fellow who professes to see all, hear all and know all, offered to lay me a bet the other day that we'd have quarter horses racing this Fall. Can't see how but didn't take him up. He hasn't paid me for the last two wagers I won. But even if the racing board, at its May meeting, grants the permit, don't see how they can get it ready by November. Maybe.

THAT WAS A GREAT session the Retail Merchants Division of the Chamber of Commerce put on last Tuesday in which the people who keep the rest of the people informed, were ribbed gently but firmly by Frank Bogert, Master of Ceremonies. But the way he talked about some of us almost led to a new club in town. The "I Hate Frank Bogert" club. There was even some discussion in the newsroom of The Sun following the party that hereafter we spell Frank's name wrong. Make it Bogart or Buggert or something like that. But calmer heads prevailed and it will still appear as Bogert. Even decided to mention El Mirador everytime too. So all is apparently forgiven.

GUESS I AM nothing but a chiseler. And I hate 'em. But, innocently as it was, I profited twice this week because of remarks made last week. At that time I said that cigaret salesmen (or women) gave you just one book of matches with a pack of cigarets and that there were 20 matches in a book and 20 cigarets in a pack. Wondered if they didn't know that the wind blows here sometimes. Well, when I went to buy a pack of cigarets yesterday morning, Helen Morris of the P.S. Drug, pulled out a whole carton of matches to go with the pack. The wind doesn't blow THAT bad here.

AND COMMENTING on an organization of teen-agers who vowed to eschew crime comic books, I said I preferred detective stories. And a family down the street came over and told Mrs. G to back her car to their door. Seems the wife had been told by a doctor to take it easy so she did. Just lolled in the sun and read paper-backed Perry Masons, Stanley Gardners and so on all winter. She had a pile of them and is leaving for her Summer home. Come and get them, the husband said. So it looks as if, outside of studying railroad time tables, I'll be solving mysteries this Summer.

WITH MY LUCK on matches and mystery stories, maybe one of the railroads will present me with a gold-embossed pass, the Pullman company, too. But I guess that's out. It's against the law . . . Pardon the dots, but I am on a new thought. Comes now the time when the firms who do not remain open all summer are preparing to cover their windows. The campaign to make them look better is succeeding. Whereas just a few Summers ago all you could see was an expanse of ugly brown paper over begrimed windows, now those who close are getting more artistic. White or other covering with neat, intelligent and perhaps humorous, lettering make it look a lot better. Best of all, however, is don't go away.

BUSINESS WOMEN'S CLUB has taken up the cudgels for a wider bridge across Tahquitz Creek on South Palm Canyon drive. That gives the campaign a big boost. When the women go after something, they most always succeed. That's why marriage is still a great institution. Maybe I had better wait until we get the wider bridge to mention this — but another crossing somewhere halfway between Palm Canyon and Sunrise would be a big help to traffic . . . Here it is only the middle of May but see where many drivers are already rehearsing for the Summer season. Zooming through boulevard stops, making U-turns and afraid of getting their hands unburned by signalling properly.
